

What We're Doing Differently

Residential is important, but is actually our smallest program.

Built a **Monitoring Program** to track clients into adulthood.

Operational in **Denver Metro, El Paso and Weld Counties.**

Re-imagining **partnerships and collaboration** so Counties can succeed.

#NoKidWaits

We are sustainably eliminating our **wait list.**
Initiating a 0-5 year old prevention program.

Community-Based Services (CBS) is our largest program and growing.

Integrated CBS and Respite Care to keep kids & families together and healing.

Results

4 Year Kaiser Study Results

of their psychiatric care costs along with an increase in medical care compliance.

Police Contacts Down to 2 per Week

Restraints are 26% lower than peak in 8/2016
